

Last year alone, Battered Women's Legal Advocacy Project (BWLAP) provided free legal advice to nearly 2800 callers to their toll-free hotline, trained hundreds of advocates and attorneys on domestic violence legal issues, and worked diligently to protect dozens of immigrant battered women from the threat of deportation by their violent husbands. BWLAP accomplishes all of this on a shoestring budget, and through the dedicated staff, interns and volunteers who contribute their time and expertise.

Please consider a tax-deductible contribution to BWLAP. Any amount can help. For example:

- **\$50** will provide one hour of free legal advice to a battered woman filing for divorce;
- **\$75** will provide comprehensive safety planning for a victim of stalking;
- **\$100** keeps the toll-free hotline running for one day.

Please give what you can to make sure these essential services are available to all battered women in Minnesota when they need them.

Please fill out the donation form and return it to BWLAP.
